1. Comment. According to the place of destination, the train possibly
carried surplus tanks dispatched to the USSR by the 10th Gds Tank Div.

2. Comment. The 8 trains are quite definitely believed to have
carried units of the 10th Gds Tank Div which transferred to the
Schorfheide area for a divisional exercise on 6 and 7 March.
The present information supports a previous
assumption, according to which the exercise terminated in the Templin
training area.
